

# WEDDINGS

at Mount Pleasant Eco Park

[www.mpecopark.co.uk](http://www.mpecopark.co.uk)

## **MOUNT PLEASANT ECO PARK IS A VENUE LIKE NO OTHER.**

It's a place where people and nature connect, and magical lifelong memories are made. Our location on the north coast of Cornwall is in both a World Heritage site and an area of outstanding natural beauty. The park covers a 42-acre estate which includes plenty of rich habitat for local wildlife, from wildflower fields to living willow structures.

Every wedding at Mount Pleasant is unique, but our environmental ethos remains a constant. With 100% plant based menus, renewable energy sources, rainwater harvesting, sustainable buildings and plans of a zero-waste future, the site provides environmental peace of mind along with the space to express yourselves as a couple.

We believe in creating a personal connection to the site, with exclusive venue hire on your wedding day. Weddings are available to book for just a limited number of weekends annually, so you'll be one of a handful of couples that tie the knot at Mount Pleasant. Being a community space, there's no corporate vibe lingering in the air, it's all about good vibes and romance. This ethereal setting is a blank canvas, capable of transforming into anything from a wedding festival, an open-air banquet to cosy candlelit winter romance.

Embrace total freedom to create a wedding that feels completely and utterly yours... enjoy your day, your way.

## THE VENUE

You will have access from 2pm the day before your wedding to set up and decorate. You could spend the afternoon before your wedding day putting your own stamp on our extraordinary spaces. From natural greenery to colourful festival flags, let your imagination run wild and then enjoy the evening under a romantic star scape sky in our cob courtyard gathered around the campfire. The only stipulation is that your decorations are sustainable.

The exclusive hire of the venue is on the day of the wedding which includes the Barn, Atrium, Amphitheatre, Cob Courtyard and Orchard field. These areas allow your guests freedom to be encompassed by green spaces all the while rustic and intimate. The day flows through the grounds utilising the Eco Park's natural beauty and magical atmosphere.

You can party the night away with live music in our barn that is licensed till 12.30am.

As the celebrations wind down the day after, you have until 11am to take down your decorations and then most choose to then sit for a breakfast together to round off festivities.

To further the festival atmosphere and celebrations, our onsite accommodation is available for guests to book to make the most of gathering all together for festivities. We offer rustic wild camping, or for a little more luxury you and your nearest and dereast, can stay in our wooden handmade Shepherd Huts or cosy Eco Pods.

## YOUR CEREMONY

At the heart of the Eco Park is the amphitheatre, a dedicated space where you can exchange your vows under the magical wooden pavilion.

This intimate outdoor area is licensed for both weddings and civil partnerships. The amphitheatre is accessed through a living willow archway and is banked with beautiful wildflowers, enjoying panoramic views to the Cornish coast and Tywarnhayle Mine. Your guests can watch the ceremony from the comfort of grass amphitheatre seating.

The Barn is a warm and welcoming open plan space that is also licensed for both wedding and civil partnership ceremonies. Flooded with natural light, with high ceilings and rustic exposed beams it's the perfect blank canvas to decorate as you wish and can accommodate 90 people for a seated ceremony. It is perfect for a cosy and romantic ceremony in the colder months or wetter days.

## WEDDING FEAST

- for up to 100 guests in the Atrium | up to 120 guests in a Tipi or Tent (extra cost)

Catering for Eco Park weddings is freshly prepared on site by Canteen, the vegan kitchen run by a passionate and dedicated team to produce show stopping and vibrant vegan cuisine. Canteen has an abundance of wedding catering experience and will guide you through booking your perfect meal.

After your initial meeting with the Eco Park team, Canteen will arrange a meeting with their chefs as soon as possible, ideally this would be 6 months prior to your wedding, to get to know your ambitions for your celebrations and take time to work with you in creating a truly unique menu that compliments the Eco Park values, guest numbers and the overall feel of your day.

They will send you the menu you create, along with a timeline for your day, full quote and our T&C's. The quoted cost per head will include all the equipment and staff to prepare and serve your menu, they will let you know of any potential extra costs that you might want to consider at this initial stage - although much of this can be decided upon once you are in the more detailed stages of planning.

If Canteen's approach tunes in well with you and food is a big part of your plans then they'll love to talk further... but, of course we do appreciate that budget is key too! Canteen does not have sample menus, but as an idea, costs start at £35 per person for 60+ guests (prices will increase for smaller parties). Canteen would create a three-course menu including nibbles served from the grills, with a main course of grilled / smoked vegetables with sides served to the centre of your tables, all finished off with a great pudding. The cost per head includes all aspects of menu planning, preparation, service, the crockery, cutlery and serving ware, as well as unlimited access to their wealth of events experience!

## THE RECEPTION

- for up to 180 guests.

With colourful lights, stage and DJ booth the Barn is transformed into the perfect space to dance the night away. The Barn can accommodate up to 180 for a standing reception and is home to our one of a kind Apothecary Bar, packed full of local and organic drinks. The barn is licensed till 12.30am so you can throw an almighty party.

With exclusive use of the venue, weather permitting, the Orchard Field is perfect for outdoor lawn games, day time musical performances and much more.

## CHOOSE YOUR DRINKS

With our fully stocked bar there are many options to choose from to provide your guests drinks throughout the day. Having a bar open from guest arrival till 12.30am is included in your venue hire.

**Toast Drinks Package** - £6.50pp - 2024 price, future prices to be confirmed

- Glass of Prosecco for toasting

If you would like alternative drink options, please enquire with your wedding coordinator.

## CHOOSE YOUR ACCOMMODATION

Just metres away from the ceremony and reception spaces is our wild camping field. With a laid-back, close to nature approach you can offer your guests accommodation with mesmerising sea views. We can also provide a little more luxury in our hand crafted wooden Shepherd's Huts and Eco Pods.

Hire the main camping field and one Shepherd Hut of your choice for 2 nights - £1,500. Alternatively, you can offer your guests the option to book their pitches individually through the office to allow your guests to easily book and pay for their pitch.

### *Shepherd Huts*

The handcrafted shepherd huts offer guests a cosy and luxurious option to stay here. Varying in size and location each is individually unique and special. For your nearest and dearest you can reserve these for them to book.

### *Eco Pods*

Our newest addition; simplistic living at its best, surrounded by nature. These handcrafted sleeping pods are cocooned in the warmth of natural materials. Each sleep 2 people and include a double bed, bedding, towels, and table and chairs.
